Core Mission

Global Care Corporation – Philippines is committed to **modernizing, localizing, and internationalizing healthcare services throughout the Philippines** by integrating internationally recognized healthcare standards with Philippine regulatory requirements.

Its mission is accomplished through:

- Bridging North American Healthcare Systems and best practices with Department of Health (DOH) regulations and Philippine Healthcare Standards.
- Developing scalable, franchise-ready healthcare models for Home Care Services, Home Health Agency, Hospice Agency, Wound Care Agency, Durable Medical Equipment Agency, Non-Emergency Medical Transportation, Senior Living Facilities, Diagnostics, Rehabilitation, and Wellness Services.
- Strengthening the Filipino healthcare workforce through standardized education, certification, licensing, compliance training, and international workforce development.
- Serving as an International Health Care Consultant supporting Department of Health (DOH), Local Government Units (LGUs), Healthcare Providers, Healthcare Investors, and Public-Private Partnerships.

Core Business Divisions & Service Areas

Division	Primary Role
Healthcare Licensing & Policy Author	Supports the development and localization of internationally recognized regulatory systems, licensing frameworks, operational standards, and healthcare compliance models for the Department of Health (DOH).
Healthcare Infrastructure Development	Plans, develops, and manages Integrated Luxury Senior Living Resorts, Assisted Living Communities, Skilled Nursing Facilities, Wellness Centers, Home Health Agencies, Hospice Agencies, and related healthcare infrastructure.
Healthcare Workforce Education	Delivers Certified Nursing Assistant (CNA), Certified Home Health Aide (HHA), Wound Care Specialist, Medication Management Technician, Licensed Practical Nurse (LPN), Nurse Practitioner, Healthcare Administrator, Compliance Officer, and related healthcare education programs through the International Healthcare Institute & Technology (IHIT) Philippines.
Healthcare Franchise Development	Designs turnkey franchise systems for Home Care Agencies, Home Health Agencies, Hospice Agencies, Wound Care Centers, Clinics, Diagnostic Centers, Senior Living Communities, and Mobile Healthcare Services.
SRRV / SIRV Medical Partnering	Coordinates healthcare partnerships for international retirees and investors participating in the Special Resident Retiree's Visa (SRRV) and Special Investor's Resident Visa (SIRV) programs.
International Healthcare Consulting	Provides consulting services for Department of Health (DOH), Local Government Units (LGUs), healthcare organizations, healthcare developers, and institutional investors in healthcare modernization and regulatory compliance.
Community Outreach & Foundation Programs	Supports community healthcare initiatives, medical missions, workforce development, and humanitarian programs through strategic charitable partnerships and foundation initiatives.
